

## **Commentary on Ana B'Kho-ah**

You are the celestial light -  
Innocent eyes see You;  
Clouds of sin hide You.

You are the hidden light  
Of this world,  
Revealed in visions,  
Seen on God's mountain.

You are the eternal light -  
The mind's eye searches  
And seeks;  
Only an aspect ever seen,  
Never all.

-Solomon Ibn Gabirol
